

Keep Bringing It!

Hello Team Right Now!

Wow! The past couple of weeks has been so exciting. As you have seen on my blog, I have competed my triathlon and documented that day's experience. If you are curious what goes on at one of these events, this should help you feel like you are there.

Also on my website this week is a Tony Horton 1-on-1 wrap up. All 36 discs are reviewed with worksheets. I have provided a side-by-side of Power90, P90X, P90X plus, and all 1-on-1s so you can see where you can swap discs for different workouts.

But by far the big news of the week is the P90X2 Pre-Order. I have an immersive blog that talks about all the order options. There is also a link to an MP3 download of Tony talking about P90X2 during last Monday's coach's call. I am posting the continuous stream of trailers that Beachbody is pushing out almost daily. Man, it gets me pumped up.

As we look towards this week, look for a post on a new P90X Challenge that starts in mid September and brings us to December 19. We already have well over 100 people in the Facebook Group and everyone is getting amped up to get in the best shape so they can take on P90X2 in the New Year.

Keep the questions coming team. I am here to help you achieve your goals and to Bring It!

Have a great week.

What is Team Right Now?

For the newcomers to the newsletter (and to Beachbody), what is TRN all about? After starting P90x in December 2009 and doing other BB workouts, I decided to start coaching others. As a Beachbody Coach, I become a representative for Beachbody and their products. More importantly, I get to share my lessons learned from the programs with others and help them achieve their goals

Your 1-on-1 HQ

September 4, 2011 - For those of you who are loyal TRN followers, you know that I LOVE the 1-on-1 series from Tony Horton. For me, this was a much more intimate series that allowed you to see the real TH. No scripts, No Cast. Just Tony and his trusty cameraman / director / partner in...

90 Day Triathlon Training

September 3, 2011 - Another 90 day block of training completed! After completing Insanity Asylum, I was ready to lay out the next challenge: complete an Olympic Triathlon. I laid out my first 30 days of training and nutrition HERE with it ending with a Sprint Triathlon. I then took the..

I'm A Triathlete

August 31, 2011 - My body springs to life as I hear my alarm off at 3:30 am on Sunday, August 28. My mind races with the day ahead of me. 90 days of training (See HERE for my nutrition and training plan) and countless hours of discussion with experienced triathletes culminates into...

Two Lists

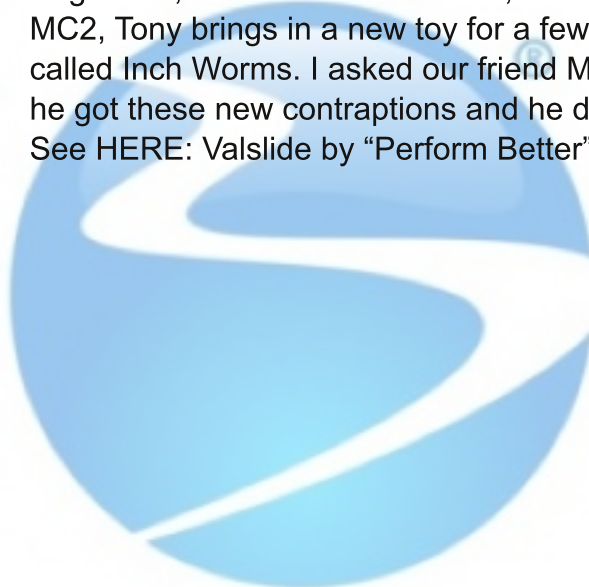

August 30, 2011 - I saw this from Doc Horton last week and thought it was so well laid out. Our life is full of choices. We are not victims and we need to be accountable to ourselves for everything we do. Everyday we make our our own "choose your adventure" book. Everyday the...

Pro Sliders Review

August 27, 2011 - In P90X 1-on-1, Volume 3: Core Synergistics MC2, Tony brings in a new toy for a few of the bonus moves called Inch Worms. I asked our friend Mason Bendewald where he got these new contraptions and he directed me to Amazon. See [HERE](#): Valslide by "Perform Better" So I...

Final Motivation

There are certain moments in my life that have been burned in my retinas. Finishing my last exam in both undergrad and graduate schools. Seeing my wife at the end of the aisle. Seeing each of my kids for the first time. Finishing the last move on my first 90 days of P90X. And a new one for me, crossing the finish line of my first Olympic Triathlon and being able to call myself a triathlete.

No matter what your dream is, visualize yourself achieving it. Remember past achievements and never let anyone tell you that it can't be done. It can be big. It can be small. What matters is that it is your dream and it is important to you.

Whatever your goal is, remember this team is here for you. We are here to support you. We will always tell you that anything is possible and be there to help when bumps in the road happen, and they will. Because here at Team Right Now, we believe that all things are possible.

Also, as always, remember that the way I benefit from being your coach is that I earn a commission from any Beachbody products that you purchase, as long as you buy them through my site, www.TeamRightNow.com, or by logging in to <http://www.beachbodycoach.com/COACHMIKER7> to do your shopping (If you buy from the plain beachbody site I get no credit). It helps with the amount of time I spend answering all your questions and helping you out. Thank you! I really appreciate it!

The 2012 Summit was announced this week. It will be held at the MGM Grand in Las Vegas on June 22-24! They want to ensure that every single coach that wants to attend can attend.
